

VILLAGE OF PERRINTON

GRATIOT COUNTY, MICHIGAN
ORDINANCE NO 129

Adopted: January 4, 2016
Effective: February 1, 2016

AN ORDINANCE TO PROVIDE FOR THE CONSTRUCTION, ALTERATION, REPAIR, MAINTENANCE, AND GENERAL USE OF SIDEWALK, AND TO PROVIDE FOR MINIMUM CONSTRUCTION REQUIREMENTS.

THE VILLAGE OF PERRINTON ORDAINS:

Section 1: DEFINITIONS

The following terms and definitions, as used herein, shall be interpreted and construed as defined and shall apply in the interpretation and enforcement of this ordinance.

- A) "Sidewalk" shall mean any sidewalk within a public right-of-way. The term shall not include any portion of any driveway between the street and the proposed or existing walk or any cross walk.
- B) "Person" or "Property Owner" shall mean any persons, land owner, tenant, firm, corporation, partnership, voluntary association or organization, as well as their agents and contractors.
- C) "Construct," "construction," or "constructed" shall mean to install, place, or extend sidewalk to areas where sidewalk currently does not exist.
- D) "Replace" shall mean to remove large portions of existing sidewalk, that are beyond simple repair. Large portions shall mean more than twelve (12) feet or three (3) sections.
- E) "Repair" shall mean to remove and replace only those small, specific sections of existing sidewalk where total sidewalk replacement is not required.
- F) "Maintenance" shall mean to provide general care and cleaning of sidewalks including, but not limited to removing snow, leaves, miscellaneous debris from trees, graffiti, and garbage from sidewalks, as well as the removal of other items that would impede pedestrian movement over the sidewalk. Normally the responsibility of the abutting property owner.
- G) "DOPW" shall mean Department of Public Works.

Section 2: CONSTRUCTION, REPLACEMENT, AND REPAIR COST

Any and all cost for the construction, replacement, repair, or maintenance of sidewalks within the Village shall be the sole responsibility of the abutting property owner unless herein specified. Nothing herein shall be interpreted or constructed as limiting the ability of the Village to assess such costs through the special assessment process.

Section 3: SIDEWALK REPAIR OR REPLACEMENT FOR WHICH PROPERTY OWNER IS RESPONSIBLE

- A) Under no circumstances shall the Village pay for any portion of the cost of sidewalk construction, repair, or replacement where a sidewalk has been damaged due to misuse or neglect caused or permitted by an abutting property owner as could, by way of example only, occur due to improper excavation or heavy construction equipment, moving vans, personal vehicles or similar items on the sidewalk. For such costs, the abutting property owner shall be solely liable and responsible.

- B) Under no circumstances shall the Village pay for any damage, unevenness or settling caused by tree growth, roots or falling limbs and branches from trees located outside of the road right-of-way or where a property owner has failed to maintain an abutting sidewalk as called for in this ordinance. For such costs the abutting property owner shall be solely liable and responsible.
- C) Where construction, repair, or replacement of otherwise satisfactory sidewalk is desired by an abutting property owner for his convenience (for example, the lowering of grade to provide a more suitable driveway), for general appearance, or aesthetic concerns, the property owner shall be solely liable and responsible for all associated costs.
- D) The DOPW shall have the authority to determine whether construction, repair, or replacement of any sidewalk is reasonably necessary based on the standards contained in this ordinance or by resolution adopted by the Village Council. In the event the DOPW determines that construction repair, or replacement of a sidewalk is necessary, he shall notify the property owner of such decision by first class mail, at least twenty (20) days prior to commencement of any proposed improvement. The property owner may object by submitting a written appeal to the DOPW decision to the Village Clerk within twenty (20) days of the original notice and appear at the next regularly scheduled Village Council meeting. The Village Council shall then determine whether the proposed improvement is reasonably necessary.

Section 4: SIDEWALK REPAIR OR REPLACEMENT FOR WHICH VILLAGE OF PERRINTON IS RESPONSIBLE

The Village of Perrinton shall only be responsible for damage due to sidewalks settling or unevenness resulting from tree growth, falling tree limbs and branches of trees located within the public right-of-way, activities of the Public Works Department, or activities of Contractors retained by the Village.

Section 5: NEW CONSTRUCTION/DEVELOPMENT WHERE SIDEWALK DOES NOT EXIST

All development/construction occurring within the Village which is adjacent to a public street, where sidewalk does not presently exist, shall include the construction the construction of sidewalks in accordance with the requirements of this ordinance Provisions for such sidewalk construction shall be included as part of site plan review. Such newly constructed sidewalk shall be paid for entirely by the property owner.

- A) New Development/Construction: Development occurring where added sidewalk would not connect to or be a part of the existing sidewalk system will not be required as part of the development plans unless the Village requires sidewalk during site plan review or future plans are in place to connect the development's property to the existing sidewalk system.
- B) Existing Development without Sidewalks: Construction and funding method, to install sidewalk, in existing developments will be based on the Village.
- C) The Village expressly reserves the right to require, as a condition of zoning, subdivision, or other land use approvals, that the property owner files a performance guarantee, in a form approved by the Village, for the construction of sidewalk. The Village further reserves the right to pay for the construction of sidewalks through the special assessment process.

Section 6: REMOVAL OF MATERIALS, SUSPENSION OF OBJECTS

- A) No person owning, building or repairing any house or other structures shall permit any lumber, brick, mortar, plaster, earth, clay, sand, stone, or other material to remain on the sidewalk after sunset of the day upon which it is placed there without sufficient safety precautions and written permission from the DOPW.

- B) No person shall suspend or cause to be suspended anything above the sidewalk or within any street right-of-way, unless expressly authorized by Village ordinances; provided, hereon, that an awning or marquee no part of which is less than seven (7) feet above the sidewalk grade is permitted.

Section 7: DRIVING ON SIDEWALKS
