

VILLAGE OF PERRINTON

RESOLUTION REQUIRING COMPETITIVE BIDDING

Whereas Public Acts 167 and 168 require all local units of government, including townships, to conduct sealed competitive bidding for any contract of \$20,000.00 or more in order to qualify for state revenue sharing payments; and,

Whereas, said Acts allow exemptions from competitive bidding for contracts for professional services, emergency services, or services exempted pursuant to a written policy adopted or approved by the governing body.

Now, Therefore, Be It Resolved:

1. That the Village of Perrinton shall utilize competitive bidding for any contract of \$20,000.00 or more.
2. That this competitive bidding requirement shall not apply to professional services, emergency repairs, or services which may in the future be exempted from the requirement by the Perrinton Village Council.

Ordinance No. 94-04-04
