Section 2. CAUSES OF BLIGHT OR BLIGHTING FACTORS

It is hereby determined that the following uses, structures and activities are causes of blight or blighting factors which, if allowed to exist, will tend to result in blighted and undesirable neighborhoods. On and after the effective date of this Ordinance, no person, firm or corporation of any kind shall maintain or permit to be maintained any of these causes of blight or blighting factors upon any property in the Village of Perrinton owned, leased, rented or occupied by such person, firm or corporation.

A. Any parking, storage or accumulation of inoperable motor vehicles on any private property, unless that storage or accumulation is inside a completely enclosed building, or a fence made of such material as would hide said accumulation from view, or if such accumulation and/or storage is accomplished in such a manner as to conceal same from view from adjacent private or public property, including public or private roads.

No such storage or accumulation shall be permitted when such storage presents a hazard to public health or safety.

by the appropriate county, township or village building official and where said materials are intended for use in connection with such construction.

For the purposes of this Ordinance, the term "building materials" is defined to include lumber, bricks, concrete, cinder blocks, plumbing materials, electrical wiring or equipment, heating ducts or equipment, shingles, mortar, cement, nails, screws or any other materials used in constructing any structure.

C. In any area, the storage or accumulation of junk, trash, rubbish or refuse of any kind without a land-fill permit, except domestic refuse stored in such a manner as not to create a nuisance for a period not to exceed thirty days. The term "junk" shall include parts of machinery or motor vehicles, unused stoves or other appliances stored in the open, remnants of woods, metal or any other material or other cast-off material of any kind whether or not the same could be put to any reasonable use.

D. In any area the existence of any structure or part of any structure, which, because of fire, wind or other natural disaster, or physical deterioration is no longer habitable, if a dwelling, nor useful for any other purpose of which it may have been intended.

E. In any area, the existence of any vacant dwelling, garage or other outbuilding unless such buildings are kept securely locked, windows kept glazed or neatly boarded up and otherwise protected to prevent entrance thereto by vandals, or other unauthorized persons.

F. In any area the existence of any partially completed structure unless such structure is in the course of construction in accordance with a valid and subsisting building permit issued by the Township/City/Village and unless such construction is completed within a reasonable time.
